

Dehavillyn Mack

Candidate for Vice President, Villages of Brookmont HOA

Dehavillyn Mack has proudly called Brookmont Estates home for over eight years. What drew her here was more than a house. It was the promise of a community, and that promise is exactly what she has committed herself to protecting and strengthening.

As the current Chair of the Architecture Committee, Dehavillyn has worked to ensure that the standards and integrity of our neighborhood are upheld with fairness, consistency, and care for every homeowner. She understands that the decisions made at the board level affect real people, real families, and real investments, and she does not take that responsibility lightly.

Professionally, Dehavillyn brings over 26 years of experience in quality assurance, operations management, and strategic leadership. She is a United States veteran, a servant leader at heart, and someone who knows how to build systems that work and teams that thrive. Those same skills, attention to detail, clear communication, and a commitment to doing things right, are what she will bring to the role of Vice President.

Beyond her professional life, Dehavillyn is a wife, a mother, a Girl Scout Troop Leader, and an active member of her sorority and faith community. She shows up fully wherever she is planted, and Brookmont Estates is no exception. As Vice President, her focus will be on transparent communication, fair and consistent governance, and ensuring that every resident feels heard, respected, and represented. She is not running to hold a title. She is running to do the work.

Dehavillyn Mack is ready to serve. She hopes to earn your vote and your trust
